

MARCO PIERRE WHITE

**WHEELER'S**  
OF ST. JAMES'S EST 1856

Captain Wheeler opened his doors to what is now famed as the world's oldest fish brand in 1856, over the years its romance and understated elegance has captivated generations; Lucian Freud, Francis Bacon and Walt Disney all count amongst our devotees.

Marco Pierre White was long enraptured by its history and provenance; and, since taking ownership at the turn of the century, he has developed and enhanced it to include many classic British and French dishes of both meat and seafood, prepared with Marco's interminable style, meeting his exacting demands for quality and value.

*"My approach is refinement, not reinvention. I welcome you to Wheeler's; relax, enjoy and savour"*
